Forest Therapy at Ken Reid Conservation Area

Date and Time: Friday, February 16 10:00 am - 11:30 am

Address: 277 Kenrei Road

Join certified Forest Therapy Guide, Kristie Virgoe on an hour and a half mindful exploration in nature at Ken Reid Conservation Area.

In addition to reducing stress and improving mood, spending time in nature has also been linked to improved cognitive function and creativity. Studies have found that being in nature can improve memory and attention, as well as increase problem-solving skills and creativity.

Forest bathing is best done alone, or with a small group. The goal is to fully immerse yourself in the present moment, and to relax and let go of any stress or distractions. It is not exercise, or hiking, or jogging. It is simply being in nature, connecting with it through our senses of sight, hearing, taste, smell, and touch.

Come and experience nature, and yourself, in a new way.

Cost is \$10 per person.
