Bear Snores On: Storywalk Trail

Date and Time: Thursday, March 4 8:00 am

Address: 277 Kenrei Road

The [Kawartha Lakes Public Library](#) is launching a new Story Walk on the Pond Loop Trail at [Ken Reid Conservation Area](#).

Visitors will be treated to ‘Bear Snores On’ by Karma Wilson beginning Thursday, March 4.

The Story Walk Trail allows families and visitors to enjoy a leisurely stroll along the Pond Loop, located near the main parking lot at Ken Reid Conservation Area, and read a variety of popular stories.

In this popular story, one by one, a whole host of different animals and birds find their way out of the cold and into Bear's cave to warm up. But even after the tea has been brewed and the corn has been popped, Bear just snores on!

See what happens when he finally wakes up and finds his cave full of uninvited guests — all of them having a party without him!

FREE - 1hr Webinar - On-Site Sewage System Training, Examinations & Qualification Registration Process

Date and Time: Wednesday, March 10 4:00 pm - 5:00 pm

Address: JM Consulting

On-Site Sewage System Training, Examinations & Qualification Registration Process

Program Overview

This short webinar will guide participants through the requirements process in order to obtain the Ministry of Municipal Affairs and Housing (MMAH) registration.

Learning Objectives

At the end of this webinar, participants will be able to understand:

- Where to find information about the Qualification and Registration process?
- Where to find training in Part 8 of the Ontario Building Code
- How to apply for registration and obtain a BCIN number
- How to apply for the On-Site Sewage System Examination
- The examination format
- How to register your qualifications with the Ministry
- Where to find other information

Who Should Attend?

Anyone wishing to:

- Obtain their MMAH registration to Design On-site Sewage Systems,
- Become a Sewage System Supervisor, or
- Inspect sewage systems.

Your Instructor

Jeffrey Chalmers, CET, CBCO

Jeffrey has over 40 years' experience in building code interpretation and enforcement as a plans examiner, inspector, chief building official, building code consultant and instructor of building code courses. Jeff has extensive knowledge in all areas of the Ontario code and has helped develop new training courses in the Ontario Building Code and also the National Building Code, for training across Canada.

Jeff is a member of OACETT, the OBOA and the OPIA.

Floods Happen: Be Aware and Prepare

Date and Time: Friday, March 12 12:00 pm - 12:30 pm

Address: 277 Kenrei Road

Join Kawartha Conservation Director, Integrated Watershed Management, Emma Collyer and Hydrologist, Iryna Shulyarenko for a short, but very informative session on flooding. You will learn about the roles of different agencies in managing flood emergencies, how to stay informed during a flood, and what to do to minimize the risks to yourself and your property.

The half hour presentation will include a quick introduction, followed by a short presentation and a question and answer period.

The event is free to attend and will take place via Zoom.

Flood Preparedness and Safety Public Seminar

Date and Time: Thursday, March 18 6:00 pm - 8:00 pm

Address: 277 Kenrei Road

Join Kawartha Conservation and our partners for this informative Flood Preparedness and Safety Public Seminar.

During this virtual event, you will meet representatives of agencies involved in flood emergency management within the Kawartha Conservation watershed.

You will learn about the roles and responsibilities of provincial and local agencies; find out details on the Kawartha Lakes water levels; learn who can help you deal with flooding, and stay safe during and after the flood.

There will be an opportunity to ask questions to the panel of local experts.
