### IWM Speaker Series: Citizen Science

Date and Time: Friday, May 14 12:00 p.m. - 12:30 p.m.

Address: 277 Kenrei Road277 Kenrei Road

Join Watershed Resources Technician Rob Stavinga for our May IWM Speaker Series on Citizen Science.

Rob will give a brief overview of what Citizen Science is and some well known examples, including Inaturalist, Ebird, Ontario Breeding Bird Atlas, Lake Partner Program and Bird Studies Canada Marsh Monitoring Program.

Rob will then talk a bit about Kawartha Conservation's Citizen Science volunteer programs:

- Nearshore citizen science water quality monitoring project
- Kawartha Water Watch
- Senior Citizen Climate Action Group
- Aquatic Plant Volunteer Project

Join us for this short, informative IWM Speaker Series Lunch & Learn and discover more about the Citizen Science projects we have and how you can become involved.
