Erosion & Sediment Control Symposium

Date and Time: Thursday, December 7 9:30 am - 3:00 pm

Address: Fenelon Falls Community Centre, 27 Veterans Way, Fenelon Falls ON

Erosion & Sediment Control Symposium

Join us for a free community event, intended for people undertaking construction activities around water, to learn more about erosion and sediment control practices. There will be several presentations and exhibits from industry professionals.

Erosion and sediment control (ESC) is an important part of any construction project. Bare and exposed soils are
